MARCH 1

Truth Talk: Technology

Join us for Truth Talk: Technology on March 1, 4:00–7:00pm as we take a thoughtful, biblical look at how technology impacts us and how we can use it wisely. Associate Pastor Brian Hinton will help us consider how to think biblically about technology and the ethical challenges previous generations never imagined. Then guest speaker Dr. Shelly Melia will explore the impact of AI on our lives and offer practical guidance for using technology in ways that honor the Lord. There is no cost to attend.

Childcare is available for children birth to fourth grade (space is limited). Students fifth grade and up are encouraged to attend. For more information and registration go to hunterstreet.org/truth-talk.

Jimmy Hale Mission

One of our ministry partners, The Jimmie Hale Mission, serves homeless men, women, and children in the Birmingham area. Through Jimmie Hale, hot meals and shelter are provided, life programs are offered, and the Gospel is shared! Additionally, Jimmie Hale becomes a warming station on nights the temperature drops below freezing.

Here at Hunter Street, we partner with Jimmie Hale by providing meals twice a month to the men staying there.

For over 20 years, Hunter Street has had a relationship with Jimmie Hale! Interested in serving? Email serve@hsbc.org!
