MARCH 1

Truth Talk: Technology

Join us for Truth Talk: Technology this Sunday, March 1, 4:00–7:00pm, as we take a thoughtful, biblical look at how technology impacts us and how we can use it wisely. Associate Pastor Brian Hinton will help us consider how to think biblically about technology and the ethical challenges previous generations never imagined. Then guest speaker Dr. Shelly Melia will explore the impact of AI on our lives and offer practical guidance for using technology in ways that honor the Lord.

There is no cost to attend. Childcare is available for children birth to fourth grade (space is limited). Students fifth grade and up are encouraged to attend. [Registration for childcare closes at noon on Thursday, February 26.](#) Learn more and register at hunterstreet.org/truth-talk.
