FEATURED RESOURCES

This week's recommended books from the Home Front are *The Imperfect Disciple* and *Love Me Anyway* by Jared Wilson.

The Imperfect Disciple

The Imperfect Disciple is for people who mess up, people who are weary, people who are wondering if it's safe to say what they're really thinking. Jared Wilson filled this book with warm humor, wit, and moving stories, while showing that the gospel works in them and in their lives when they can't get their act together, they think God is giving them the silent treatment, and other unspiritual frustrations.

Love Me Anyway

This book uses 1 Corinthians 13 to speak to the most powerful desire in the human heart – the desire to be loved. Jared Wilson paints a picture of an extravagant God who not only puts the desire for love into our very souls but fulfills those desires in striking life-changing ways.
