

# Every Member is a Minister

At Hunter Street, we believe “Every Member is a Minister.” This is a scriptural principle, rooted in the belief that every Christian is to be a good steward of the gifts that God has given them to serve other believers and build up the body of Christ (1 Peter 4:10). We also are called to serve non-believers as ministers of reconciliation and to implore them to be reconciled to Christ (2 Corinthians 5:14-6:1). Serving others to build up the body and serving others to share Christ are two principles that every member is asked to fulfill; therefore, “Every Member is a Minister!”

This booklet features our volunteer opportunities to serve where you worship, which we call our “on-campus” ministry needs, and our “off-campus” ministry needs which are volunteer opportunities to serve where you live, work, and play. Once you find an opportunity or two that interests you, please contact the leader of that ministry and the ministry department, [serve@hsbc.org](mailto:serve@hsbc.org), and we will make sure that you are connected and able to learn more about serving to meet the need of that volunteer opportunity.

We also believe that every member needs to discover how God has gifted them or SHAPEd them. This will allow members to serve through their SHAPE (Spiritual Gifts, Heart, Abilities, Personality and Experiences) in the context of everyday life. This means serving others out of the relationships that exist where we live, worship, work, and play.

To learn more about how God has gifted you for service, please email the ministry department at [serve@hsbc.org](mailto:serve@hsbc.org). We can tell you more about our SHAPE assessment and how it will provide you with the tools to know how God has designed you to serve with excellence.

Thank you for serving to build up the body and for sharing Christ!

## Guest Parking Lot Greeter

- Welcome 1st and 2nd time guests to Hunter Street “from the street to their seat.” This ministry is an important way to ease the fears of those visiting Hunter Street for the first time by casually welcoming and helping guests who park in the guest parking lot. The primary way to help guests is to greet and walk with them to help them find their way to the appropriate children’s area, a Small Group, or the worship service. This ministry needs folks who are outgoing; willing and able to walk; and willing to serve in the heat, cold, or rain. These greeters serve one Sunday each month from 7:45-8:15am, 9:00-9:45am, or 10:30-11:15am.

Ministry Contact: Brady Tarr  
Email: bradyt@hsbc.org
